

Helping anyone and everyone become a follower of Jesus by encouraging, equipping and empowering families.

Notes

Next Steps

- While worldly wisdom may take us far, godly wisdom has the power to take us "deep." What do you think this means ... and why does it matter?
- Humility, wisdom, peace; these three things seem very much connected to one another. How have you experienced this connection?
- In what ways have you been confusing worldly wisdom with godly wisdom?
- Reflect on the past week: based on your deeds, works and choices, what kind of wisdom would you say your life has demonstrated?
- What is one thing you want to change/try/do this week in response to what you've heard?

WELCOME to The FIVE!

Welcome Saturday worshippers ... and all who might be joining us for the first time!

Tonight we continue our study of the book of James. In the latter part of this third chapter, James moves from an intense word on *words* to yet another intense word on *wisdom*. Here James seeks to establish the difference between *earthly wisdom* (wisdom we can acquire on our own) and *godly wisdom*. Unlike earthly wisdom, godly wisdom is more than just learning; it is a gift God gives to those who ask—so that we can see as God sees in order to do as God does. The wisdom God gives enables us to become peacemakers in our communities who seek, plant and harvest peace for the glory of God and the sake of the world.

Thanks again for being here! We hope you'll join us for one of our Bible studies on Wednesday to dive deeper into tonight's text. If you're new, please stop by the Connect Table—we'd love the chance to meet you and give you a gift.

Peace, *Pastor Bobby*

PEACH CAPRESE SALAD

Enjoy this refreshing salad from Joanna Gaines's new cook-book, *Magnolia Table: A Collection of Recipes for Gathering*. Comes together in just ten minutes!

INGREDIENTS (4 servings)

- ½ cup white balsamic vinegar
- ¼ cup extra-virgin olive oil
- 2 white peaches, chilled
- 2 yellow peaches, chilled
- Two 4-ounce fresh mozzarella balls (preferably water-packed)
- 10 fresh basil leaves, torn
- 1 teaspoon flaky salt
- 1 teaspoon freshly ground black pepper

DIRECTIONS

1. In an 8-ounce screw-top jar, combine the vinegar and olive oil. Screw on the lid and shake well. Refrigerate until well chilled. (Store in the jar in the refrigerator for up to a week.)
2. Remove the pits from the peaches and cut the fruit into ½-inch-thick slices or wedges. Drain the mozzarella if necessary and pat it dry. Use a sharp knife to cut it into ¼-inch-thick slices.
3. On a serving platter, decoratively arrange the slices of peach and mozzarella. Scatter the basil leaves on top, drizzle with the dressing and season with the flaky salt and pepper.
